A large, rectangular sheet of white material with a grey marble pattern, labeled as UV SHEET 2D-P 911. The sheet is laid flat on a wooden surface, and its glossy finish reflects light. The marble pattern consists of irregular, flowing grey veins against a white background.

UV SHEET
2D-P 911

The background is a high-resolution image of a marble surface. It features a complex pattern of veins in shades of grey, black, and brown, set against a light cream or off-white base. The veins are irregular and flowing, creating a natural, organic look. In the bottom right corner, a small portion of a green plant with several pointed leaves is visible, adding a touch of nature to the composition.

The image shows a close-up of a marbled paper surface. The background is a light cream or off-white color, overlaid with a complex network of veins in shades of gold, brown, and black. The veins vary in thickness and direction, creating a dynamic, organic pattern. In the lower-left corner, there is a white rectangular label with rounded corners containing the text 'GLS SHEET' and 'P-949' in bold black font.
